

Contoocook River Cooperative – Park Wish List

As residents of the Contoocook River Cooperative, we take pride in our neighborhood and the shared spaces that make it feel like home. We're building a Park Wish List — a way for residents and friends to donate items, time, or skills to help make our park and common areas even better, without relying on a large budget.

Whether you have an unused item you would like to rehome, a few hours to lend a hand, or a small donation toward a specific project, every contribution helps! Together, we can make our park a more welcoming, enjoyable space for everyone.
